Since each group has a different passage, it can be fun that students share them with class when the activity has been completed. 4 Discuss students have already given many examples and completed a worksheet so they should have a good idea of when using the imperative. Shout for someone A e e e Stop! A e e e If you are about to cross the street when a car comes well. At this point, talk to be educated while continuing to give orders and preach with the example using please when I instruct your students. A good example would be to match the universal A e e e non-smoking A e e e Sign with prayer A e e e DonA e e e A e e e smoking A e e e can also make students complete a blank exercise Where the missing words are listed for them to choose. How do I teach the imperatives? Instead that a single person instructions, have the students stop at a circle and take turns to be a simon. On the other hand, if someone is simply doing a lot of noise or distractive, screaming A e e e A e e e A e e e It would be considered A. At this time, instead of practicing giving instructions, focus on the cooking vocabulary and recipes instead. Each group must receive the paper strips to complete a passage and work together put sentences in the correct order. 7 Review Ask for volunteers to give you imperative phrases. useful for teaching and learning the state of imperative mood.
